Malden Catholic is blessed to have a professional organization top to bottom. From the leadership of Mr. Tyrrell to Br. Puccio, Bob Bucchino, and Jeff Smith the teachers, counselors, coaches, secretarial staff, and campus ministers are empowered to work with the boys on a daily basis to help navigate the critical and many times difficult challenges that high school presents. Combined with the work done by our Admissions team, Advancement office, and Facilities staff the students of Malden Catholic are fortunate to be able to count on so many wonderful people who comprise this very special community.

MC EVENTS

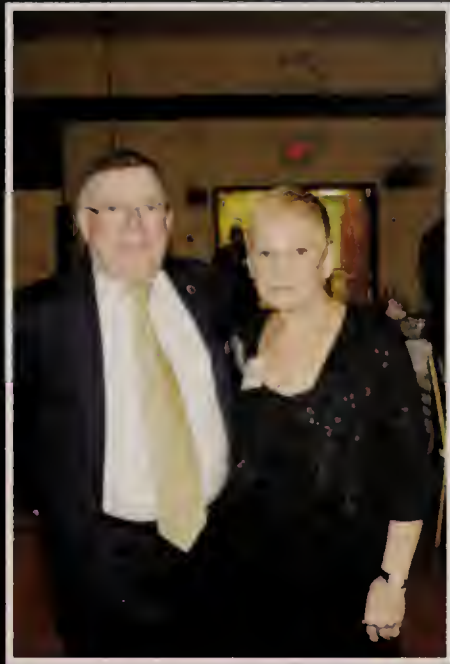

Annual Gala Celebration

2014 Honoree Jim Donovan

April 8, 2014

This year we are proud to honor a tremendous individual who has dedicated himself and his family for the benefit of Malden Catholic. Jim and his wife, Bev, have been invaluable members of the MC community and through their tremendous generosity the school has reaped spectacular rewards. We congratulate and thank Jim for all he has done and will continue to do going forward as Chairman of the Malden Catholic Trustees. Congrats to Jim!!

2014 Gala

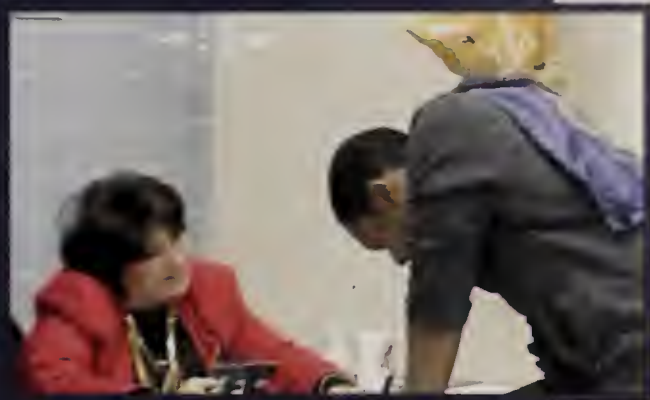

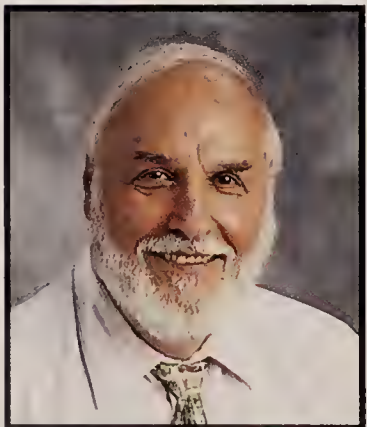

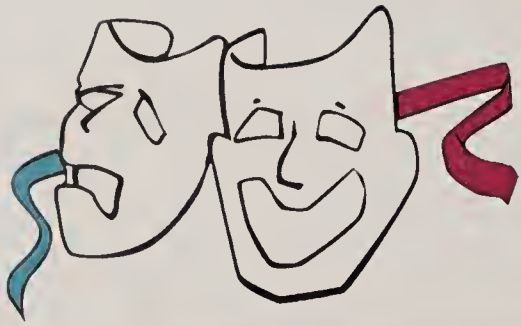

Open House

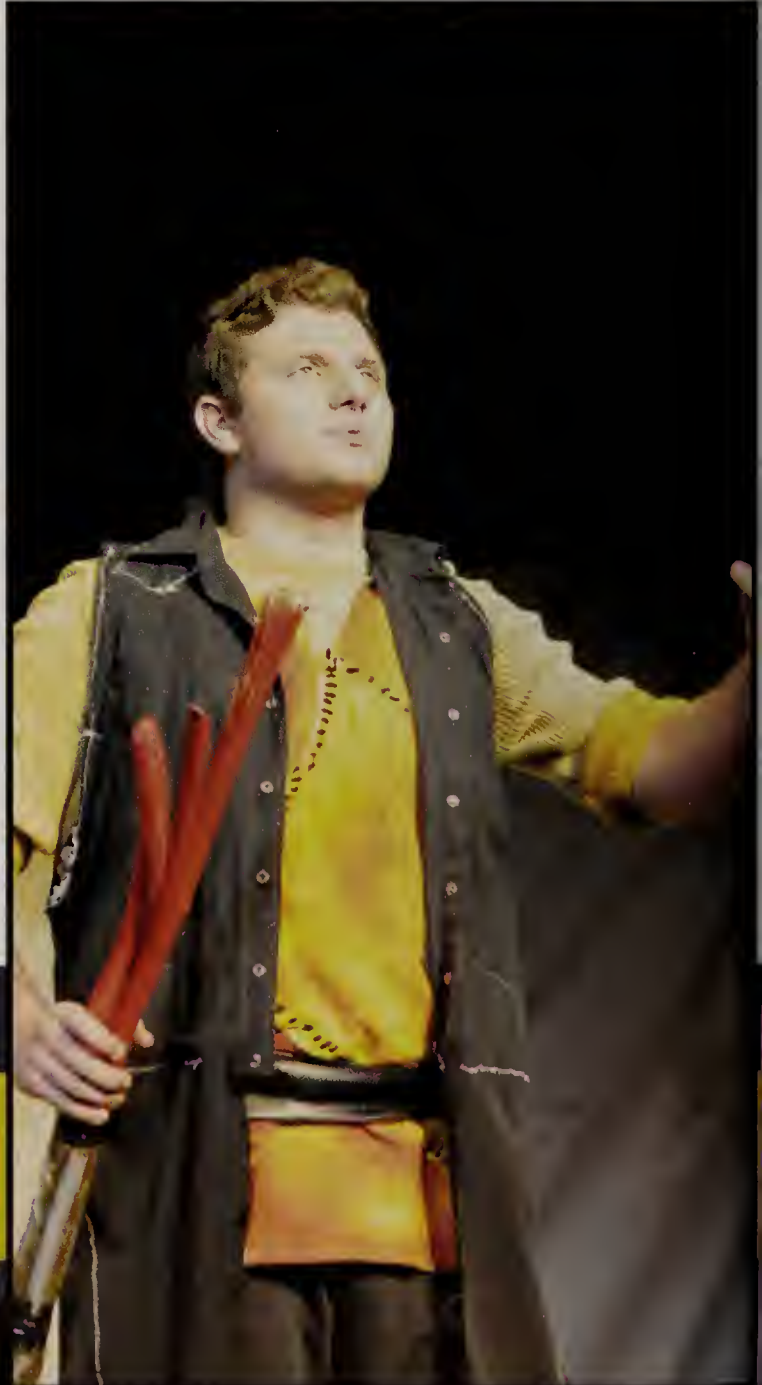

The best way to get to know Malden Catholic is to come visit our campus to meet with students and faculty. This happens annually as MC opens its doors to prospective students each October. This is a great opportunity for students and parents to tour the campus, meet students and faculty, hear about the numerous academic and extracurricular programs offered, and ask any and all questions about the school or the admissions process. Each and every year hundreds of current MC students participate and volunteer before and during open house to best display what we stand for and who we are. Without the help of the student body none of this would be possible.
